RESEARCH EXPERIENCE

Graduate Assistant, University of Mississippi **August 2024– July 2025**

• **Facilitating Student Learning:** I lead small-group sessions like discussion sections, and tutorials where the main lecture material is reviewed, debated, and applied.

• **Grading and Assessment:** I grade homework, quizzes, essays, and exams based on rubrics provided by the professor.

Research Assistant, Mr. Somod Olohunlana's Office at Lagos State University **April 2021 – Nov 2023**
• Delivered an excellent paper presentation to the delight of the conference panelists.
• Worked on a research paper with various research teams.
• Regular research training, focusing on the analytical element (E-VIEW & SPSS).

PUBLICATIONS

Olohunlana S. Dapo, Olohunlana A. Oluranti, **Rasaq Q. Bolakale,** Abdulazeez S. Olawale (2019), The strategies of research and innovation on Economic competitiveness and Industrial growth in Nigeria. Journal of Lagos State University research fair.

TEACHING EXPERIENCE.

Teaching Assistant, Department of Economics, Lagos State University **June 2017 – Nov 2020**

• **Facilitating Student Learning:** I lead small-group sessions like discussion sections, and tutorials where the main lecture material is reviewed, debated, and applied.

• **Grading and Assessment:** I grade homework, quizzes, essays, and exams based on rubrics provided by the professor.

• **Course Preparation and Logistics:** I Prepare materials for discussions, set up demonstration equipment, post announcements and resources to the online course portal, and proctor exams.

PROFESSIONAL EXPERIENCE

Junior Operation Analyst **Sept 2023 – July 2024**
KPMG, Nigeria, Victoria Island, Lagos.

• **Reporting and Visualization:** I Create reports, dashboards, and presentations which I basically use PowerPoint, Tableau, or Power BI to summarize complex data into clear, actionable insights.

• **Financial Analysis and Valuation:** I Analyze the collected data using key metrics and ratios such as the Branch Profit Margin, Return on Equity, Debt-to-Equity.

• **Forecasting and Budgeting:** I use the company historical trends and market analysis to create forecasts for future financial performance.

Graduate Assistant/Research Assistant **Apr 2021– Mar 2022**
Adekunle Ajasin University, Akungba-Akoko, Ondo, Nigeria
• **Grading and Assessment:** I help the department lecturer to grade homework, quizzes, exams, and provide detailed feedback to the professor in charge of the courses on the area where the student performed exceptionally well and area they struggle with.
Holding Office Hours: I hold office hours each week to meet with students one-on-one or in small groups to clarify concepts, review material, and provide academic support in courses I do TA for like introduction to microeconomics and introduction to macroeconomics.
• **Student Support:** I assist with undergraduate advising, processing paperwork, and helping with enrollment.
• **Communications:** I Manage the department's website, their social media account, or the departmental newsletter.
